

PROBATE COURT OF FRANKLIN COUNTY, OHIO
JEFFREY D. MACKEY, JUDGE

ESTATE OF _____, DECEASED

CASE NO. _____

ENTRY TO DEPOSIT UNCLAIMED FUNDS

Upon review, the court finds that an heir, beneficiary, or creditor is entitled to funds from this estate. However:

- The funds have remained unclaimed prior to the filing of the final account. The applicant has used all reasonable diligence to locate and notify the person entitled to the fund, but the address of the person or creditor remains unknown to the applicant.
- The applicant has attempted to pay the funds to the person entitled to them, but the person has not endorsed the payment or has otherwise refused to accept the delivery of the payment.

It is therefore **ORDERED** that the funds belonging to the person described in the application be deposited into the County Treasury by means of an estate check or cashier's check made payable to the Franklin County Treasurer, or successor in office.
